### STRAIGHT SHOT by Ken

#### Upping the Ante

Player fees will be increasing this season. This will enable us to cover rising costs for court fees and for additional court space which should ultimately benefit the league and its players.

#### High Score

The Texas Rangers set an American League record scoring 30 runs against Baltimore in mid-August which got me thinking 'What is the highest BGBL score of all time?' and 'Has a BGBL team ever cracked triple figures?' At least we have last year's stats. The highest score in competitive came in a Dickie Design 75-67 win over B&G where Brad poured in 25 points. The highest score from recreational came in a 58-32 win over B&G and Charles led the Stingers with 21 points.

#### Sox Postseason Predictions

Division Clincher: Sep 25<sup>th</sup> vs Oakland at home.  
Postseason Rotation: Beckett, Schill, D-Mat, Wake.  
Postseason Prediction: Red Sox beat the Indians in the ALDS before falling to the Angels in the ALCS.

#### Officer News

Tom Walsh has stepped down as Treasurer and we welcome back former Commissioner Scott McIsaac as our new Treasurer.

## SOAP GAL by Mags

Ok, so you know how Sports Guy, Bill Simmons has his Sports Gal, right? Well, I figured it would just make sense that Straight Shot have his SoapGal! So here I am. I know that there is at least one of you out there (who shall remain nameless) who tapes Days of Our Lives everyday, just like I do...

So, quick recap - I missed Days the entire month of August - but of course I was able to catch back up in one episode over Labor Day weekend. The Brady's are still reading those god-awful letters from Santo to Colleen, two people who, by the way, just happen to look just like Sami and EJ. Sami is still pregnant with twins, but she is running all over Salem chasing Andre Dimera, with no care at all for the health of her babies.

I had an occasion recently to meet actor Forbes March who plays Nash Brennan in One Life to Live. We happened to be in Best Buy and he was signing autographs. He was really cool and down to earth.

I wasn't too star struck but send me Brian Datillo (Lucas from Days) and I might get a little more tongue-tied.
